

Rain Check Policy

Brewster's Kananaskis Ranch Golf Course wants to ensure that you get the most out of your golf experience, even when the weather isn't at its best. As such, we have developed a Rain Check Policy that provides guests with a 100% Green Fee Rain Check for instances of inclement weather. Even if you decide to start your round in the rain, even if you complete your entire round, you'll be provided with a Green Fee Rain Check for 100% of the Green Fee Rate that you paid to play.

Rain Checks expire and will only be valid for the season in which they are purchased. Players who rent Power Carts will also receive a 100% Rain Check when they encounter instances of inclement weather, even if they decide to start in the rain and even if they complete their round.

Questions in relation to the Rain Check Policy can be forwarded to the Golf Shop Team at 403.673.2700
