## More Reasons to Visit Brewster's Golf

More than a century after John Brewster's sons took their first guests on a horse pack trip, the Brewster family has grown to exemplify tourism in the Canadian Rockies, with the family group of companies being operated by 5th & 6th generation family members.

### Convenience

Located just 45 minutes from the City of Calgary, Brewster's is the ideal location for a day trip. Charter bus transportation from Calgary can make your trip even more enjoyable.

### The Setting

The scenic Rocky Mountain landscape located on the shore of the Bow River, coupled with the numerous adventure opportunities is sure to offer your group the mix of options and scenery to deliver complete event success.

### Fantastic Food & Adult Beverages

The famed Brewster donut tent, originally designed by Claude Brewster in the 1930's for hosting guests in the backcountry of Banff Park, provides an authentic venue and atmosphere. Our reputation for quality food, great service and rustic western facilities make for an unforgettable Canadian experience. The log circular building has a central stone bonfire which is the focal point of the donut tent, with an open view to the evening sky.

### Spectacular Adventure

Brewster's Golf exists to take you places, both literally and figuratively. For over 125 years, the Brewster's have been introducing travelers to some of the most spectacular locations and experiences in the Alberta Rocky Mountains. ## Dress Code

Brewster's offers guests a casual golfing experience. With that said, we still like to maintain a modest decorum. Jeans are welcome, but we ask that you refrain from wearing ripped jeans, cut offs, tank tops, short shorts, sweat pants or swimsuits. Also, we aerate the greens once a year, so we don't need anyone to show up in metal spikes or high heels for unscheduled maintenance - soft spikes or running shoes only. If anyone does show up in these items, we will ask them to change. Participants can visit our Pro Shop if they are in need of clothing that is both stylish and conforming.

## the Fine Details

### Speed of Play

Slow play is one of the biggest complaints golfers have, so we take this seriously. The course marshal has the authority to inform slow groups and also to ask them to pick up their balls and skip holes to catch-up to the group in front of them. Please remind all of your groups that it is their responsibility to keep pace with the group in front of them.

### Etiquette

Our team works hard to maintain our golf course. Please remind your groups to observe proper etiquette. Repair ball marks, fill divots and rake sand traps.

### Weather

We do our best to make sure that you and your guests have the best event experience possible. Most of the time Mother Nature cooperates with us, but when she doesn't we provide all of our guests with a 100% rain check policy that provides them the opportunity to play with us on another day. Tournaments will be deemed to be playable rain or shine, unless course management closes the course due to really stupid weather. In the event of cancellation by Brewster's, the golfing portion of the tournament will be rescheduled or reimbursed. The banquet will be held regardless of weather.

## Food & Beverage

**ALL FOOD & BEVERAGE PRODUCTS MUST BE SUPPLIED BY BREWSTER'S KANANASKIS RANCH.**

The Alberta Gaming and Liquor Commission and the Calgary Health Authority mandate that Brewster's is required to provide you with all of these goodies under the terms of our license agreements. Food & Beverage Meal Prices are subject to change. Prices quoted are valid for 60 days prior to the event. **WE ENFORCE A ZERO TOLERANCE POLICY FOR OUTSIDE ALCOHOL. NO ALCOHOLIC BEVERAGES ARE PERMITTED ON THE COURSE UNLESS PURCHASED FROM BREWSTER'S GOLF.** Any alcoholic beverages brought onto the premises will be confiscated and playing privileges will be revoked without refund.

## Prizes

Need prizes for your participants? Let us know and we can build in a package that includes merchandise from our Golf Shop or Gift Cards. Tournament Prize Packages start for as little as \$7/player.

## Shotgun Starts

In order to host a Shotgun, Brewster's requires that you have a minimum of 96 players. \*Brewster's reserves the right to include non-tournament guests for events with fewer than 100 players. It should be noted that events that book a shotgun and end up with less than 96 players confirmed 18 days prior to the event will have their start format changed, or will be billed for 96 players in order to keep their shotgun start.

# Booking Details

## Guaranteed Numbers

Brewster's requests that you provide us with an estimated number of tournament guests at time of booking and that you update our team if there are drastic changes to this estimate in either direction. Brewster's requests that Tournament Organizers provide us with the minimum number of guests to be attending **18** days prior to your event date. This will be the minimum number of players that you will be billed for. Brewster's will require the number of meals for your event **7** days prior to your event, again this will be the minimum number of meals that you will be billed for. Finally, Brewster's will require a list of your golf groups or teams **3** days prior to your event.

## Damages

We want you and your guests to have an unbelievably good time, but we also need to be able to continue to provide terrific golf conditions to all of our guests - this means our facility and equipment need to be in working order. Tournament Organizers will be responsible for collecting property and equipment damages caused as a result of misconduct by their guests.

## Rentals

Brewster's has a limited number of golf clubs available for those guests who do not have their own equipment. If your group has more than 10 people who require rentals we will do our best to accommodate but will require **18** days to source extra equipment.
