### THE FINE DETAILS

**Etiquette-** Please remind your groups to observe proper golf etiquette. Dress within dress code, keep pace of play, repair ball marks, fill divots and rake sand traps.

**Rentals-** We have a limited number of golf clubs, if your group has more than 10 people who require rentals we will do our best to accommodate but will need at least 18 days to accommodate.

**Weather -** Most of the time mother nature cooperates with us, but when she doesn't we provide all of our guests with a rain check policy that provides them the opportunity to play with us on another day. Tournaments will be deemed to be playable rain or shine, unless course management closes the course. In the event of cancellation by Brewster's, the golfing portion will be rescheduled or reimbursed. The Banquet will be held regardless.

**Guaranteed Numbers-** We request that Tournament Organizers provide us with the minimum number of guests to be attending 15 days prior to your event date. This will be the minimum number of players that you will be billed for. Brewster's will require a list of your golf groups or teams 7 days prior to your event.

**Damages-** Tournament Organizers will be responsible for collecting property and equipment damages caused as a result of misconduct by their guests.
